*News for Neighbors from the Arlington Heights Civic Association*

*Winter 2012*

## **FROM THE PRESIDENT**

Dear Neighbors,

As we begin 2012 I would like to take a moment and to thank all of the residents and businesses who supported the Arlington Heights Civic Association during the past year by becoming members. Your contributions are vital to the continued existence of the AHCA and we are grateful for your commitment to our neighborhood.

I would also like to thank those local businesses who gave a little bit more this year in support of Arlington Heights. Thanks go to Lost Dog Cafe, P. Brennan's and Twisted Vines for the donation of gift certificates for our quarterly meeting raffles. P. Brennan's was also kind enough to host a well attended fundraiser for the AHCA and hosted our post-softball game happy hours for the third year running.

Simplicity Urgent Care, which joined as a new member last year when it moved into the neighborhood, immediately jumped in to support the AHCA. Simplicity and its wonderful staff donated the moon-bounce for both our Spring BBQ as well as our Halloween Party. They also staffed a table at our Halloween Party and gave out free items to promote a healthy neighborhood. Giant Food returned to the Pike with a show of support for Arlington Heights and they donated all of the food for our Halloween Party. We

welcome them back!

I would also like to call special attention to our wonderful locally owned and operated Papa John's, which has donated dozens of pizzas to our quarterly meetings and will once again keep us from going hungry in 2012. I thank them for their generosity and their commitment to community outreach.

Neighbors— please take a few moments now before the year gets away from you and send in your 2012 AHCA membership dues. We are grateful for your support and we couldn't continue without it.

I wish everyone a happy and healthy 2012 and I look forward to seeing you at our February 13 meeting!

Sincerely,

**STACEY WHYTE, AHCA PRESIDENT**

## AHCA QUARTERLY MEETING

### AGENDA

Please join us for our next AHCA meeting on Monday, February 13 at 7 p.m. at the Patrick Henry Elementary School library.

Agenda Items are expected to include:

- voting on the AHCA budget
- the election of our 2012 Secretary
- a presentation by Twisted Vines as part of our "Meet The Neighbors" series
- the introduction of a proposed change to the AHCA by-laws to change the Neighborhood Conservation Representative position from appointed to elected.

We also anticipate a vote on a motion introduced by a resident regarding a change to our Irving Phase II/Arlington Boulevard Beautification Neighborhood Conservation project. The Phase II project was approved by the AHCA in October of 2010 and is scheduled to move forward this year.

Some residents have concerns regarding the design for the end of S. Hudson Street at Arlington Blvd. This design concern was discussed at length at a two-hour special meeting of the AHCA held last month which was open to all residents. We have neighbors who feel quite strongly on both sides of this issue and we encourage all residents to attend the February meeting so they are fully aware of the matter at hand and may vote to support their point of view.

It is important to disclose to all residents that if the proposed change is voted into effect at this meeting it is likely the County, based on their current assessment, will cancel the entire Phase II Beautification project.

The association appreciates hearing the varying viewpoints from Arlington Heights neighbors regarding S. Hudson Street and the Irving Phase II project. We truly appreciate that the discourse has been passionate yet thoughtful and respectful of fellow residents. We may not always see eye to eye on every issue which greets our neighborhood, but we are much stronger as a community when we are able to recognize, appreciate and even celebrate not only those things we have in common but also those things that set us apart.

# NEIGHBORHOOD CONSERVATION PROJECT UPDATE

BY JULIET HIZNAY

## *Update on Our Funded Projects*

County staff members met with interested residents to discuss the design for the end of South Hudson Street, which is included in Phase II of the Irving Street/ Arlington Boulevard project (aka frontage project). The civic association approved the concept design for this project in October 2011. The county continues to work on finalizing the design. After a comprehensive analysis, the county has concluded that the existing design (which narrows the mouth of the street from about 70 feet to the existing street width) is the safest alternative and has declined to support a change in design. Based upon current information, I expect some residents to seek a new vote on this project.

**The entire frontage project may be at risk of cancellation** if residents who object to narrowing the mouth of Hudson Street seek a vote to cancel the project. Please attend the upcoming meeting on **Monday, February 13, 2012 at 7 pm at Patrick Henry Elementary School.**

Irving/Arlington Boulevard Phase I (sidewalk,

curb & gutter): Construction is estimated to begin in early spring. Block Captain: Craig Palmer

## **Other Announcements**

Thank you to Moley Evans for volunteering to serve as the Block Captain for our proposed Fifth Street South

Streetlight project!

The Arlington County Traffic Calming Committee has notified the civic association that the 0-100 block of South Hudson Street was selected as one of its 2012 projects. A recent traffic study showed that 3% of vehicles exceed 55 mph on the street, and that the 85<sup>th</sup> percentile speed is 32 mph. Please note that this initiative is not part of the NC project; the Traffic Calming Committee has its own funding and procedures, which are elaborate and require significant resident support to move forward.

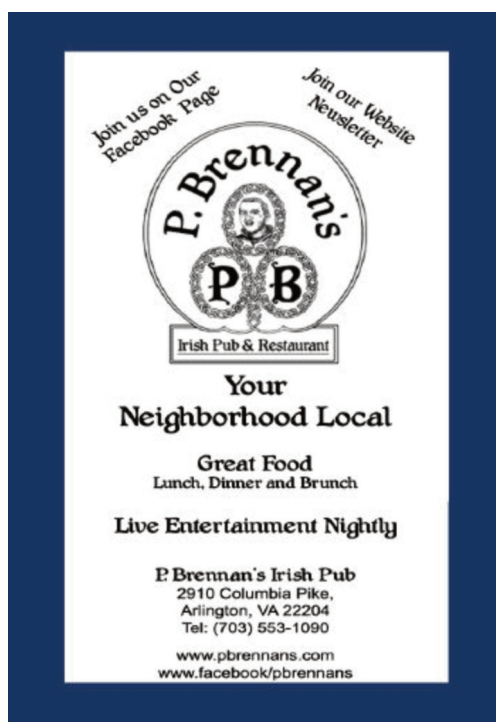

## ***Neighborhood Conservation Funding – The Importance of the 2012 Bond***

Funding for the Neighborhood Conservation Program is through local bonds, which are approved by the voters every two years. The County Board will be making crucial decisions about its priorities for the 2012 bond this spring. Neighborhood Conservation has been an important program for this neighborhood, and it has funded significant improvements, especially to our street infrastructure. Over time, these projects have made our community safer and more appealing. As in past years, Neighborhood Conservation will be competing with other programs for funding. NCAC needs a 12 million bond (this funding lasts for 2 years) to continue to operate at its current level. I urge you to support the program. Should you wish to write a letter of support, please send the letters directly to the county board or email to:

## ***Update on LED Lighting Standards for Residential Streets***

In the past year, the Executive Committee of NCAC has worked on a number of issues, including the issue of LED lights. Many throughout Arlington are concerned about the brightness of the new LED lights, which the county plans to retrofit into all existing Carlyle style lights.

I am pleased to report that county staff have now accepted that the lights standards for residential areas needs to be different from that of commercial strips. The new residential standard will permit the dimming of lights, as well as the use of shields in LED lights. **Attn: Garfield and Fenwick residents: If your newly installed LED lights are too bright, please contact our new NCA rep Jay Vennett so he can address this issue with the appropriate county staff members.**

## **WE WANT YOU! FOR ARLINGTON HEIGHTS SOFTBALL**

Please consider coming out to play a game with Arlington Heights own neighborhood softball team the "Fightin' Pineapples".

The "team" is any adult who wants to come play, have fun and meet some neighbors. Whether it has been two weeks or 20 years since you last played, now is your chance, so come on and dust off your glove. Games are held monthly throughout much of the year on the Patrick Henry Elementary School playing field directly next to the school at 701 South Highland Street. We play teams from other Arlington neighborhood civic associations.

As for practices— we don't have them! We rely on our natural raw talent. (We also rely on the fact that the other teams don't practice either!) So if you want to play (and you know you do) please contact Stacey Whyte at [kandswhyte@gmail.com](mailto:kandswhyte@gmail.com) or 703-271-2681.
